

A Sculpture Walk in University Circle

A SCULPTURE WALK

Resource: Use the map on the website of sculpture at University Circle.

Preparation:

Look up Sculpture in the Glossary

What is the meaning of sculpture in your words:

Think about any sculpture you have seen in the past.

Where did you see a sculpture work?

Think about the materials that sculpture can be created from.

Write down at least three different materials as you look at sculpture pieces around you.

Start your walk anywhere on the map. Walk long enough to find 10 works of sculpture. (name the sculpture pieces you find)

A Sculpture Walk in University Circle

Think about shapes you see when you find works of sculpture.

DRAW two shapes you see that appeal to you.

Are there any works that represent people? What are their names? Why might someone make a sculpture piece in their image?

Name two places besides University Circle that can you find sculpture?

1.

2.

Why do you think artists create sculpture?
